CONFERENCES WITH CONVICTION

A magnificent and spacious Livery Hall which exudes layers of historical richness and an unrivalled sense of occasion. Decorative painted ceilings, jewel-like stained glass windows and a suitably grand marble staircase, lend gravitas and prestige to any conference or meeting.

An incredible example of dramatic architecture and atmosphere

Formal yet welcoming, flexible with fully fledged twenty-first century facilities, the range of rooms, each evoking a different era, can be hired in a variety of combinations according to the needs and style of your event.

As you enter the Hall through the Victorian ceremonial gates, you cannot fail to be impressed with the overwhelming spaciousness of the art-deco styled Entrance Hall. Graced by Italian travertine marble pillars and Trompe L'Oeil paintings, the Entrance Hall is the most welcoming space to hold registration or utilise as exhibition space.

A marble staircase then leads you to the first floor and the main event space. The Reception Room is simply breathtaking, with Adam-style features, barrel-vaulted ceiling and pastel silk-lined walls. A light, spacious and uplifting setting with charm in abundance. This space is frequently used for lunch and refreshments, syndicate or exhibition space.

The centre stage is the adjoining, lavish Wren-inspired Livery Hall, a magnificent room dominated by five stained glass windows, the spectacular hand-woven tapestry and two dramatic and intricate crystal chandeliers.

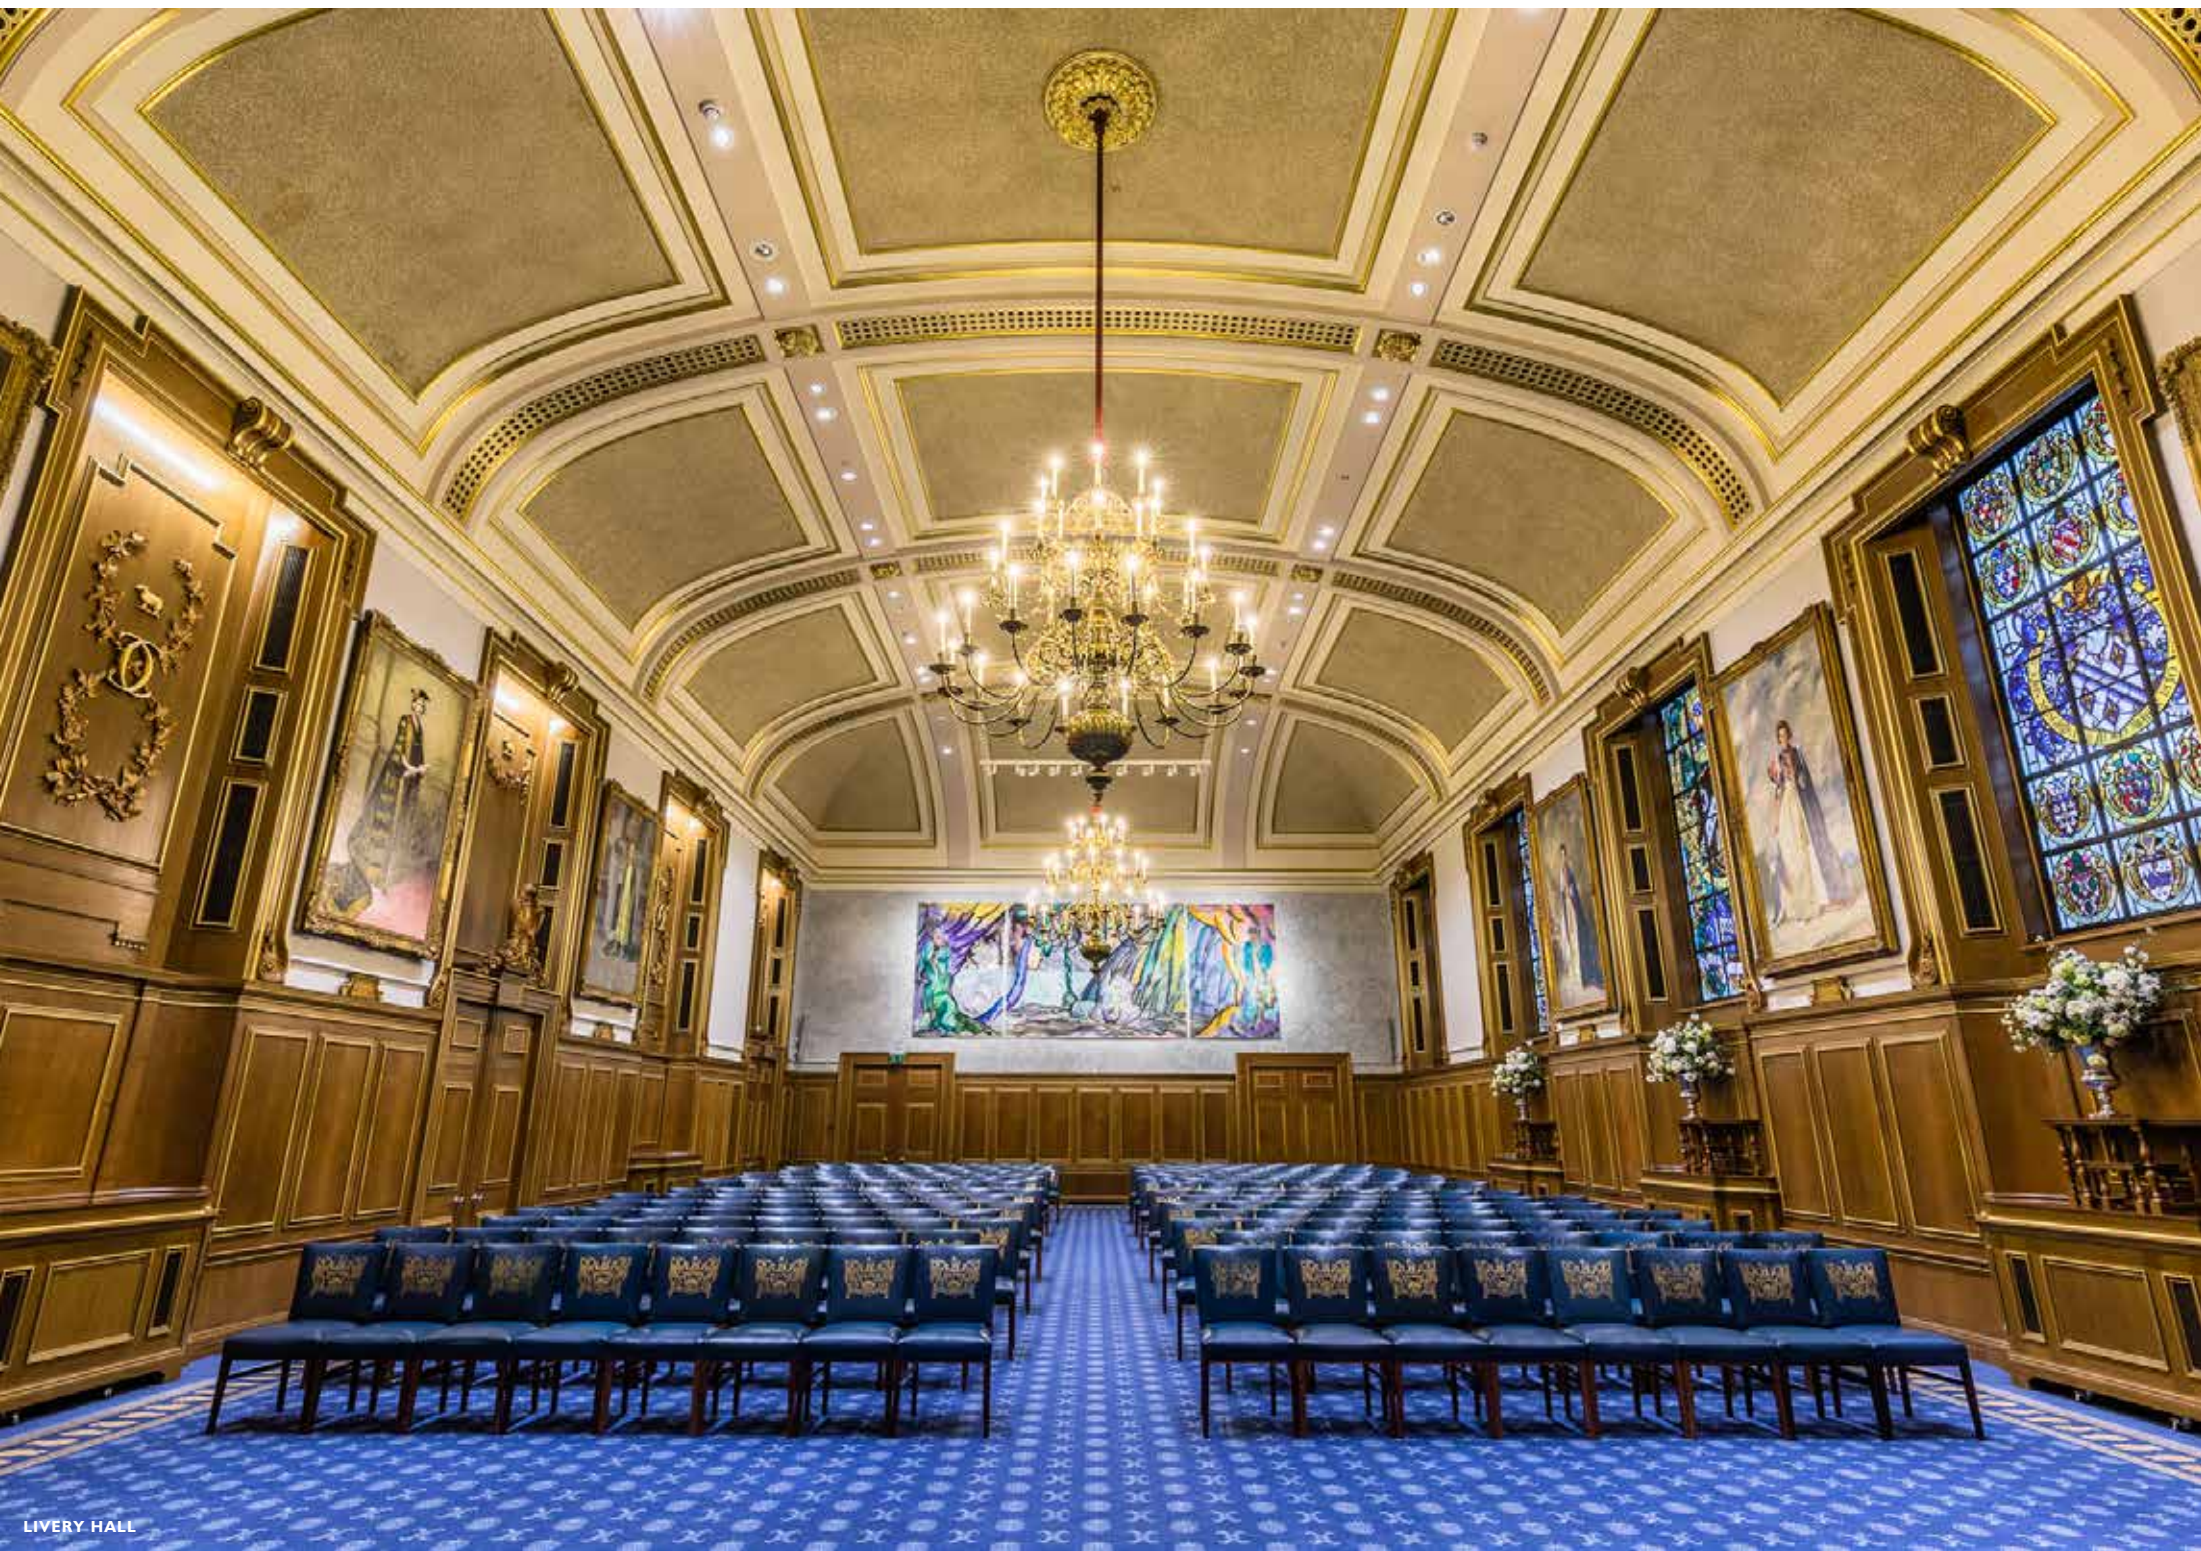

A variety of other rooms, each with its own style, character and charm, can be hired in many different permutations, giving you flexibility to create the ideal setting for your conference in this unrivalled historic setting.

EVER SO RESPONSIBLE

We are passionate about the hospitality industry and committed to best practice environmental management and the efficient use of resources to minimise our carbon footprint. Everything we do we do with conscience. We have withdrawn plastic straws from service, all our paper napkins are 100% recycled and we use jugs of iced tap water to reduce the volume of plastic and glass in our venue. We have secured gold membership with the MCS (Marine Conservation Society) and have removed all '5 rated' fish (fish from the most unsustainable fisheries or farming systems) from our business. We are now working to reduce '4 rated' fish by 25%. We support British farmers by purchasing as much British grown produce as possible including Red Tractor certified meat and vegetables; we also use 'wonky' fruit and vegetables in our conference menus!
